

# WHY FACILITY OPERATORS CHOOSE ZAMBONI®

UP TO  
**60%** MORE  
FUEL EFFICIENCY

Save thousands annually on fuel costs with our efficient engine, versus that of the closest competitor.

THE INDUSTRY'S  
**LOWEST**  
EMISSIONS

Zamboni emits 50% less cubic feet of CO<sub>2</sub>.

PROVEN  
**4WD + HYDROSTATIC**  
PERFORMANCE

Fifty years ago, Zamboni introduced four-wheel drive machines with an innovative hydrostatic transmission. In the decades since, we've proven our position as the industry's most reliable and efficient ice resurfacing machine.

## THE CHOICE IS CLEAR

Easy to operate and service with simplicity by design, Zamboni has the highest residual value, while maintaining the lowest cost of operation. Our fuel powered machines are robust, yet efficient with significant fuel savings, reduced emissions and a cleaner arena environment.
